

BARK!

A PLACE FOR THEM TO PLAY

TOWN OF RIB MOUNTAIN

# DOG PARK

## Project Plan

The Dog Park's Project Plan contains a large area where dogs can spend time with their owners. The Town will also use privacy fencing along the lands that are bordering the property. The Town is committed to making this a fun, active, and safe environment for all dogs!

WOOF! WOOF!

# A DOG PARK for Rib Mountain

In 2016, the Town of Rib Mountain began discussing the idea for a potential Dog Park. The Park Commission along with the Town Board considered the project for several months before deciding to move forward. Now that preliminary planning is taking place, the Town would like to inform residents of this wonderful project.

## Features

The current area planned for the dog park is approximately four acres. The park will hold three areas for different sized dogs:

-  **Easy access from CTH R Trail**
-  **Safe/Convenient Parking**
-  **Internal Walking Paths**

WHERE WILL IT BE?

Dog Park Concept Rendering 4/2017

## Where will the DOG PARK be located?

The Dog Park will be located at the southwest corner of the Oriole Lane and Hummingbird Road (CTHR) intersection (*across from the CoVantage Credit Union*). This land is currently owned by Marathon County, and its ownership will be transferred to the Town of Rib Mountain.

# Join us to make our DOG PARK a reality

The Town wishes to have the Dog Park project completed in 2018. If you would like to make a financial contribution to help fund this wonderful community resource please mail checks to:
